

XC CREATIVE ART CONTEST

XC Creative Art Contest

Our Mission

Our mission is to inspire and support young artists, ages 6 to 17 through innovative arts education platforms and diverse activities.

By organizing art performances, exhibitions, competitions, workshops, and courses, we aim to foster the integration of art with fields such as music, writing, and science, encouraging the creation of new artistic forms.

Through global art competitions and charitable projects, we are committed to helping young people develop their creativity and grow both artistically and socially.
